EVENTS-

Formal welcome and introduction –

Mr. Ravi Guria (DEF) formally welcomed all the respected guests by giving their introduction. He then opened the inauguration event in the Primary School Mamura-1.

Lamp lighting –

Mr. Bachu Singh, Mr Anurag Pratap, Mr.Osama Manzar and Mrs.Karuna Sharma were invited to light the lamp for the auspicious start of the school adoption project. This lamp lighting signified the start of this great project.

Assembly song by Junior High School girls-

The girls of junior high school Mamura beautifully sang a 'swagat' song for all the guests and the people at the launch.

Gift Distribution-

Gifts were distributed to all the guests by Mr.Osama Manzar and the guests were welcomed.

Introduction to the project-

Mr. Ravi Guria(DEF) talked about the Capgemini school adoption program. He briefly discussed about how the project has adopted ten government schools and has a vision to transform these schools into model schools within the next two years.

Speech by Osama Manzar(Founder DEF)-

Mr.Osama(Founder,DEF) talked about how DEF got into collaboration with CMO in UP. Also how he looked forward to the success of the event. He also expressed his interest in providing digital access to government schools and support digital citizenship.

Speech by Anurag Pratap, CSR Leader Capgemini-

Mr.Anurag Pratap(Capgemini) gave introduction about Capgemini, a French Consultancy Firm which started functioning in India in 2000. He also talked about why Capgemini started this project. He talked about the requirement of the basic infrastructural facilities in schools like proper benches, classes etc. and other things like potable water, sanitation in the schools. He mentioned about the expansion of this project and showed their willingness to reach out to more schools in the future.

Speech by Karuna Sharma(ABSA Bisrakh)

Mrs.Karuna Sharma spoke about Gautam Buddh Nagar with great pride and said that it was the first Zila to provide students with benches in the school. She asked everyone to show their support and participation to make this project a success. She said that she wanted to see a day when people choose Public schools over the private ones.

Speech by Bacchu Singh(City Magistrate)

Mr. Bachu Singh(City Magistrate) supported the project and wanted people to come up with more ideas like this in the future. He mentioned that this project could set an example and would change people's thinking and make the scenario better than what it is today. He also said that the children of the Public schools could reach great heights if given opportunities and he supported the initiative by Capgemini and DEF to develop a digital outlook in government schools.

Dance performance by the Junior High School girls

The girls from Mamura Junior High school danced on the song '*Desh Rangeela*' and entertained the guests.

Play by Junior High School children-

The children performed a play for the guests on cleanliness and showed that they hope to be in better conditions and keep their country clean.

Note of thanks -

Mr. Ravi summed up the event and thanked all the guests for their presence. He also said that he looked forward to the success of the project and wished everyone luck.

After the event got over Mr. Bachu Singh was interested in having a look around the school.
